Nokia Siemens Networks 2011 GRI Index

Nokia Siemens Networks GRI Index 2011

GRI guide	eline item		Inclusion	Location
1. Total E	nergy use ((GWh)		
1.1	Core	Statement from the most senior decision maker, about the relevance of sustainability to the organization and its strategy.	Yes	Message from the CEO [Sustainability Report Page 3]
1.2	Core	Description of key impacts, risks and opportunities.	Yes	Managing sustainability [Sustainability Report Pages 5-6]
Profile-m	ost items a	re available on the corporate website	<u>.</u>	
2.1		Name of the organization.	Yes	Who we are and what we do [Sustainability Report Page 4]
2.2		Primary brands, products, and/or services.	Yes	Who we are and what we do [Sustainability Report Page 4]
2.3		Operational structure of the organization, including main divisions, operating companies, subsidiaries and joint ventures.	Yes	Who we are and what we do [Sustainability Report Page 4]
2.4		Location of organization's headquarters.	Yes	<u>directory-of-contacts</u>
2.5		Number of countries where organization operates, and names of countries with either major operations or that are specifically relevant to the sustainability issues covered in the report.	Yes	<u>directory-of-contacts</u>
2.6		Nature of ownership and legal form.	Yes	Nokia Siemens Networks is a privately held company. <u>Financial results are consolidated into Nokia's accounts.</u>
2.7		Markets served (including geographic breakdown, sectors served and types of customers/beneficiaries).	Yes	Who we are and what we do [Sustainability Report Page 4]
2.8		Scale of the reporting organization including: Number of employees Net sales Total capitalisation broken down in terms or debt and equity; and Quantity of products or services provided	Yes	Who we are and what we do [Sustainability Report Page 4] Employees [Sustainability Report Pages 36-42]
2.9		Significant changes during the reporting period.	Yes	About this report [Sustainability Report Page 2]
2.10		Awards received in the reporting period.	Yes	Environmental impacts of our products and services [Sustainability Report Pages 9-14] Environmental impacts of our operations [Sustainability Report Pages 15-19]
Report Pa	arameters			
3.1		Reporting period for information provided.	Yes	About this report [Sustainability Report Page 2] Sustainability/Reporting
3.2		Date of most recent previous report.	Yes	Sustainability/Reporting
3.3		Reporting cycle.	Yes	Sustainability/Reporting
3.4		Contact point for questions regarding the report or its contents.	Yes	sustainability@nsn.com About this report [Sustainability Report Page 2]
Report sco	ope and bou	undary		
3.5		Process for defining report content.	Yes	About this report [Sustainability Report Page 2] Managing sustainability [Sustainability Report Pages 5-6]
3.6		Boundary of the report.	Yes	About this report [Sustainability Report Page 2]

GRI guideline item	_	Inclusion	Location
3.7	State any specific limitations on the scope or boundary of the report.	Yes	About this report [Sustainability Report Page 2]
3.8	Basis for reporting on joint ventures, subsidiaries, leased facilities, outsourced operations, and other entities that can significantly affect comparability from period to period and/or between organisations.	Yes	No significant changes affecting comparability.
3.9	Data measurement techniques and the bases of calculations.	Yes	Environmental impacts of our operations [Sustainability Report Pages 15-19]
3.10	Explanation of the effect of any re-statements of information provided in earlier reports, and the reasons for such re-statement.	Yes	Environmental impacts of our operations [Sustainability Report Pages 15-19]
3.11	Significant changes from previous reporting periods in the scope, boundary or measurement methods applied in the report.	Yes	About this report [Sustainability Report Page 2] Health and Safety [Sustainability Report Pages 32-35] Employees [Sustainability Report Pages 36-42]
GRI content index			
3.12	Table identifying the location of the Standard disclosures in the report.	Yes	This GRI Index
Assurance			
3.13	Policy and current practice with regard to seeking external assurance.	Yes	About this report [Sustainability Report Page 2]
Governance, Comm	itments and Engagement		
Governance			
4.1	Governance structure of the organization.	Yes	executive-board board-of-directors
4.2	Indicate whether the Chair of the highest governance body is also an executive officer.	Yes	<u>board-of-directors</u>
4.3	For organisations that have a unitary board structure, state the number of members of the highest governance body that are independent and/or non-executive members.	Not applicable (privately held company)	Nokia Siemens Networks Board of Directors consists of Nokia and Siemens representatives. The highest governance body is considered to be Nokia Board, see Nokia's governance practices in the Nokia 20-F
4.4	Mechanisms for stakeholders and employees to provide recommendations or direction to the highest governance body.	Yes	Sustainability/Our approach/stakeholder engagement Managing sustainability [Sustainability Report Pages 5-6] Sustainability/Employees/ Engagement Employees [Sustainability Report Pages 36-42]
4.5	Linkage between compensation for members of the highest governance body, senior managers, and executives (including departure arrangements) and the organisation's performance (including social & environmental performance.)	Yes	Nokia's highest governance body is considered to be Nokia Board, see Nokia's governance practices Nokia 20-F
4.6	Processes in place for the highest governance body to ensure conflicts of interest are avoided.	Yes	Our Code of Conduct, which covers conflicts of interest, applies to all Nokia Siemens Networks board members. <u>Sustainability/Our approach/Code of Conduct</u>
4.7	Process for determining the qualifications and expertise of the members of the highest governance body for guiding the organization's strategy on economic, environmental and social topics.	Yes	Nokia Siemens Networks' Executive Board is responsible for sustainability. See company financial reports
4.8	Internally developed statements of mission or values, codes of conduct, and principles.	Yes	Our approach

organization's identification and management of economic, environmental and social performance, particularly with respect to economic, environmental and social performance, particularly with respect to economic, environmental, and social performance, particularly with respect to economic, environmental, and social performance particularly with respect to economic, environmental, and social performance. 4.11	RI guideline ite	tem		Inclusion	Location
