

## Nokia Supplier List

Nokia's products are manufactured and/or produced by a global network of final assembly partners and component suppliers. Below is an alphabetical list of such Nokia Contract Manufacturers and strategic Original Design Manufacturers and Component Suppliers, which account for approximately 50% of Nokia's spend in Fiscal Year 2024 for the manufacturing and/or production of Nokia's products. To learn more about Nokia's engagement with suppliers as it relates to sustainability, including ethics, labour, climate, circularity etc, please visit our People and Planet report.

Accelink Technologies Corporation  
Accton Technology Corporation  
Advanced Micro Devices, Inc.  
Airoha Technology Corporation  
Amphenol Corporation  
Ampleon Netherlands B.V.  
Analog Devices, Inc.  
Artesyn Technologies Inc.  
Cambridge Industries Group Ltd.  
Capgemini Engineering  
Coherent, Inc.  
CommScope Inc.  
Dell Technologies Inc.  
Delta Electronics Inc.  
Fabrinet Co., Ltd.  
Flex Ltd.  
Hewlett Packard Enterprise Company  
Hisense Photonics Inc.  
Hon Hai Precision Industry Co., Ltd  
Infineon Technologies AG  
Intel Corporation  
Jabil Inc.  
Keysight Technologies Inc.  
Lumentum Holdings Inc.  
Luxshare Precision Industry Co., Ltd.  
Marvell Technology Inc.  
Maxlinear Inc.  
MediaTek Inc.  
Microchip Technology Inc.  
Micron Technology Inc.  
Mitec Telecom (Suzhou) Co., Ltd.  
Mobi Antenna (Shenzhen) Technologies Co., Ltd.  
Molex LLC  
Murata Manufacturing Co., Ltd.  
Nanya Technology Co., Ltd  
NXP Semiconductors N.V.  
On Semiconductor Corporation  
O-Net Technologies (Shenzhen) Group Co., Ltd.  
Orbis Systems Oy  
Qorvo Inc.  
Qualcomm Inc.  
Quanta Computer Inc.  
Realtek Semiconductor Corp.  
Renesas Electronics Corporation.
